*Thank
You*

The Saxonburg Area Authority would like to extend its most sincere appreciation to the Butler County Commissioners Kevin E. Boozel, Kimberly D. Geyer and Leslie A. Osche. Also, the SAA wants to give special thanks to Ann M. Brown and Mark S. Gordon from Butler County Economic Development and Planning and Teresa K. Sparacino from Delta Development Group, Inc., for their help and generosity. The SAA has been graciously awarded \$914,000 in grant funds for the rehabilitation of older sanitary sewer lines in the service area. These lines were deteriorating and were in need of replacement.

This support has not only assisted our efforts in fulfilling our long-term capital improvements plan but also reflects Butler County's commitment and dedication to enhancing the lives of over 10,000 southcentral Butler County residents.

WANT TO SAVE MONEY ON YOUR SEWER BILL?

Beginning January 1st of 2025, customers can save an extra \$1.00 per month on their sewer bills, by signing up for E-bills. This means that the sewer bill will be emailed to you, and not sent via postal service. This is not to be confused with automatic payments. Every month, our customers will receive a \$1.00 credit to their account when the customer is signed up for electronic billing. Make sure to sign up for E-bills through our customer portal, or give the office a call, and we can help set this up!

AVOID FEES WHEN PAYING YOUR SEWER BILL

Sign up for automatic payments through our customer portal at www.the-saa.org. This will eliminate any fees that are associated with paying your sewer bill. Make sure to sign up for automatic payment deductions right from your checking/savings account. Never pay another fee and be hassle-free not worrying about missing a payment as well. If you have questions or need assistance, please feel free to contact the office at (724) 352-1400 ext. 222 or 304. We can help!
